Nastavni plan:

Obveze studenata:

Regular attendance of lectures / workshops; 2. Activity in lectures and workshops; 3. Final exam. During the course of studies, according to lecturer's instructions, students will have to develop and defend their paper (in the form of discussion), based on lectures, practical work and knowledge acquired. A particular attention will be paid to the student's ability to use the acquired knowledge in their work and analysis of the selected topic (problem). In addition, students must prepare a presentation that would reflect a freely chosen question from the area of from philosophy to ethics of body. Finally, students will take an exam from philosophy to the ethics of body. Assessment is carried out in accordance with the Rules of Assessment of the Faculty of Medicine, University of Rijeka: attendance is 10 (%), presentation of seminar paper 40 (%), and final written essay 50 (%).

Ispit (način polaganja ispita, opis pisanog/usmenog/praktičnog dijela ispita, način bodovanja, kriterij ocjenjivanja):

Ostale napomene (vezane uz kolegij) važne za studente:
